From the D.C's report, it is learned that such contribution was stopped in 1927. The D.C's report makes mention of contribution received for the years 1936, 1937 & 1938. Letter No.H.567/38 dated 6-2-39 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

I have the honor to state that the Muttavalli to the estates of the late Prince Gulam Mahomed, K.C.S.I., Calcutta, was remitting annually Rs 500 towards the expenses connected with the urus of Nawab Tippu Sultan and Hyder Alikhan, as per the willof the late Prince. But he discontinued to remit the amount from 1927. The stoppage of remittance having been brought to the notice of Government, the Financial Secretary to the Government of Mysore in his letter No.293/Muz.142-31-3 dated 19/20-1-32 ordered that until further orders, no extra expenditure might be incurred on the occasion of urus at the Gumbuz beyond what is sanctioned for the purpose in the scale of expenditure of the institution. These orders were communicated to this office in your Memo No.688/31-32 dated 28-1-32 and since them no extra expenditure was being incurred for the above purposes.

As part of the amount due from the Mutuvalli to the estates of the late Prince Gulam Mahomed, K.C.S.I., has been recovered, an expenditure of Rs 308 was incurred during the urus of Nawab Tippu Sultan which took place on 19-1-1939, in anticipation of sanction. I, therefore, request that action taken by me may kindly be approved. Necessary sanction may also be accorded to incur in future the allotted expenditure of s 400 and 100 on the occasion of the urus of Nawab Tippu Sultan and Hyder Ali Khan respectively out of the amount so far recovered and out of the amounts expected to be recovered in future also. The vernacular records are sent herewith for reference and return.

CENL & REV. SECRETARIAT 9 - JAN 1940

SIR.

Re. Expenditure towards the Urus of Nawab Tippu Sultan and Hyder Ali Khan at the Gumbuz, Seringapatam.

With reference to your letter No.1635/Muz.285-38-2 dated 6-4-39 asking for certain particulars on the above subject, I have the honor to forward herewith a copy of letter No.H.181(a) dated 19-12-193 together with the file of connected records received from the Deputy Commissioner, Mandya District, on the subject; and to state that the Deputy Commissioner is of the opinion that the entire amount of Rs 446 now provided for the purpose in the scale of the institution may be saved, restricting the expenditure, on the occasion, to the amount of Rs 500--to be received from the Wakf Estates from Calcutta.

I agree with the Deputy Commissioner. As the Urus for the current year is stated to be fast approaching, I request that the authorities in Calcutta may be kindly addressed to arrange for the timely remittance of the amount.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

With rererence to your memo No.C.1200/38-39 dated 13-4-1939, forwarding Copy of letter No.1685/Muz.283-38-2 dated 4/6th April 1939 from the General Secretary to Government in the matter of expenditure of the amount received from the wakf estates of Calcutta towards the urus at Gumbuz at Seringapatam, I have the honor to forward herewith the connected file of papers on the subject and to state that the Committee have resolved in their meeting held on 22-11-39 that a sum of Rs 300 may be saved annually out of the amount of Rs 446 sanctioned in the scale towards the urs, and that the entire amount of Rs 500 received from the wakf estates of the late Prince Gulam Mohomed spent for the purpose. They further propose that out of the 500 received from Calcutta. Rs 300 may be spent for the urus in lieu of equal amount saved and the balance spent for charities.

The Sub Division Officer also recommends that the proposal of the Committee may be approved.

In this connection I enclose herein the scale pattis (obtained informally) prepared for the urus for the current year for your information. At present there is a provision in the sanctioned scale of the institution of Rs 446 for the urus. The Committee have proposed that Rs 300 out of this 446 be taken as general savings and the rest spent. But the sanctioned scale is likely to be affected as the income from gardens has gone down considerably. Moreover, the provision for reserve is also not adequate. In these circumstances I would suggest that the scale for the urus may be restricted to Rs 500 which we get from the Prince Gulam Mohomed's estates and the amoun of Rs 446 now provided in the sanctioned scale be saved in order to make up the loss in income from gardens and to provide sufficient reserve for the institution.

I may add in this connection that the authorities in Calcutta may kindly be addressed to arrange for timely remittance of the amount, as the urus is fast approaching.
